

ANGOLAN ENERGY MINISTER TO HIGHLIGHT INVESTMENTS AT IPAD MEETING IN MAY

[NAM NEWS NETWORK](#) Mar 22nd, 2010

LUANDA, March 22 (NNN-ANGOP) — Angolan Energy Minister Emanuela Vieira Lopes and the State Secretary of Industry, Kiala Gabriel, will highlight the investments and partnerships in the industrial and energy sectors in Angola during a meeting of the Infrastructure Partnership for Africa's Development (iPAD) to be held here in May.

According to a press statement received by ANGOP here Sunday, a team of government officials and experts will address potential investors at the event, which is aimed at facilitating contacts for business opportunities.

Subjects such as “Opportunities for investment and partnership for the development of Angola’s industrial sector”, “Development of regional co-operation and contribution for Angola’s growth” will be high on the agenda of the meeting. — NNN-ANGOP
